Aircraft Rate: \$160 (Hourly)

Warrior Fuel Surcharge: \$0 (Hourly)

1. Membership Fees:

Members will be for the first Membership Fee upon initiation of their membership. The Membership fees are non-refundable. Once a payment has been made, it is considered final and will not be refunded, regardless of whether the member continues using the services or cancels the membership. Membership fees will be due monthly, and the price per month is valid for a period of 12 months from the date of entry. After the 12 months, the membership must be renewed, and rates may change.

2. Aircraft Rental Rates and Expenses:

Membership benefits apply exclusively to the aircraft specified in this agreement. Members receive access to a "Member Rate" that is discounted from the standard rental rate and does not include the fuel surcharge typically applied to aircraft rentals. This discounted rate will apply to the Member's account for the duration of the membership.

Aircraft operating expenses (i.e. fuel prices) are variable and subject to change. As a result, aircraft rental rates will be reevaluated monthly. Should aircraft costs change drastically, any necessary adjustments to the aircraft rental rate will be communicated to members at least 30 days before any changes are implemented. In the event of a necessary adjustment to the standard rate, the Member Rate will be subject to a proportionate rate adjustment. All other pricing and fees will remain at the standard rates. Sales tax will still be charged for aircraft usage, based on the Member Rate.

4. Aircraft Availability:

Membership does not guarantee aircraft availability or offer any form of priority when scheduling. Availability of aircraft is subject to scheduling and operational requirements. Members are encouraged to schedule flights in advance, but there is no assurance that desired aircraft or times will be available.

5. Scheduling:

All scheduling for aircraft usage must be done through the Chronos scheduling system. Members must book their desired aircraft and time slots through this platform. Scheduling is subject to aircraft availability and must comply with all applicable scheduling guidelines and policies.

6. Membership Cancellation:

Membership cancellation requires a written notice to be provided 30 days prior to cancellation via email to finance@chestercountyaviation.com. The notice should include the member's full name, membership ID, and a statement of intent to cancel. Cancellations will be processed only upon receipt of written notice. Please note that no verbal cancellations will be accepted.

By maintaining membership with [Your Organization Name], members acknowledge and agree to the terms outlined in this policy.
